Dynamic Light Scattering (DLS)
at high hydrostatic pressure

Softcomp Partner: Univ. Poznan - Patkowski
Homepage:
Scientists in charge:
J. Gapinski,
A. Wilk,
A. Patkowski patkowsk@amu.edu.pl
Available for SoftComp partners: 120 days per year
Training: Basics of DLS experimental procedures (PCS and FPI), sample preparation and handling, numerical methods of data analysis.
Access: Contact scientist in charge
