

**Dynamic light scattering suite,
including diffusive wave spectroscopy, particle tracking micro-rheology,
and magnetic tweezers**

Softcomp Partner: Univ. Leeds - McLeish

Homepage: <http://www.physics.leeds.ac.uk/pages/LightScattering>

Scientists in charge: T.A. Waigh

Available for SoftComp partners: Negotiable with the scientist in charge

Training: Negotiable with the scientist in charge

Access: Negotiable with the scientist in charge
