

**Static and Dynamic light scattering,**

**Low angle: laser HeNe (632nm) 10mW CCD camera 200 cm<sup>-1</sup> to 40000 cm<sup>-1</sup>**

**1. Expertise in measuring dynamically heterogeneous process (time resolved correlation)**

*Softcomp Partner:* CNRS – Porte

*Homepage:*

*Scientist in charge:* Luca Cipelletti [lucacip@gdpc.univ-montp2.fr](mailto:lucacip@gdpc.univ-montp2.fr)

*Available for SoftComp partners:* 4 weeks per year on the basis of a scientific collaboration

*Training:* No training required, but informal training could be provided

*Access:* Contact person in Charge.
